LIGHT YOUR OWN FLAME!

for human rights

8 AUGUST 2008
13.00 local time all over the world

Nimm eine Rauchpatrone und färbe den Himmel rot!

Prenez un fumigène et teintez le ciel en rouge!

Prendi un fumogeno e tingi il cielo di rosso!

¡Toma un fumógeno y tiñe el cielo de rojo!

Take a smoke signal and color the sky red!

THE SAD SMOKY MOUNTAINS & skyscrapers

ignition, through the use of symbols and thoughts, of broken hearted mountains
:-[naturals and urbans]-: as well as broken hearts of those who go across them

a land living sculpture_a social environmental sculpture throughout the world, after the arrival of the Olympic torch on the summit of Mount Everest, during the inauguration of the Olympics in Peking

... to kindle the broken hearts of both mountains and men with the color of shame-sadness-outrage and bid food to those who resist ...

... accendere il cuore infranto delle montagne e degli uomini con il colore della vergogna-tristezza-indignazione e offrire alimento per chi resiste ...
